# Διοίκηση Ψηφιακής Επιχείρησης Εργασία 1: Δημιουργία e-Shop

Καραβαγγέλης Αθανάσιος  
ΑΜ: 03117022

## Θέματα Design του e-shop

1. Αλλάξτε το default welcome text που βρίσκεται στον header και το Copyright text που βρίσκεται στο footer σε άλλα της επιλογής σας.

Κλικάρουμε στο μενού στην κατηγορία System στην επιλογή Configuration. Πλοηγούμαστε στο Tab Design όπου μπορούμε να αλλάξυμε το header και το footer του eshop μας και τα επεξργαζόμαστε κατάλληλα.

The screenshot shows the Magento Admin Panel interface. In the top navigation bar, there are several error messages: "One or more installed add-ons cannot be verified and have been disabled.", "Latest Message: Get More eCommerce Power with Magento Enterprise", and "One or more of the Indexes are not up to date: Product Attributes, Product Prices, Catalog URL Rewrites, Product Flat Data, Category Stock Status, Tag Aggregation Data. Click here to go to [Index Management](#) and rebuild required indexes." The main content area is the "Dashboard" section, which includes "Lifetime Sales" (0,00 €), "Average Orders" (0,00 €), "Last 5 Orders" (No records found), and "Last 5 Search Terms" (No records found). On the right side, a sidebar menu is open, showing various system options like My Account, Notifications, Tools, Web Services, Design, Import/Export, Manage Currency Rates, Transactional Emails, Custom Variables, Permissions, Magento Connect, Cache Management, Index Management, Manage Stores, Order Statuses, and Configuration. A red box highlights the "Header" and "Footer" sections under the "Design" tab in the configuration sidebar.

Τελικά έχουμε το παρακάτω αποτέλεσμα στην αρχική μας σελίδα:

2. Διαγράψτε το poll της default εγκατάστασης, ώστε να μην φαίνεται στο e-shop  
Πλοηγούμαστε στο Tab Advanced του configuration και κανουμε Disable το poll.

Mage_GoogleCheckout	Enable
Mage_ImportExport	Enable
Mage_Index	Enable
Mage_Install	Enable
Mage_Log	Enable
Mage_Media	Enable

<b>Mage_Poll</b>	<b>Disable</b>
Mage_ProductAlert	Enable

Mage_Reports	Enable

3. Σχεδιάστε την Home Page που είναι άδεια, προσθέτοντας εικόνες και κείμενο. Μπορεί να περιέχει περιγραφή του eshop, τα ονόματά σας κτλ.

Πλοηγούμαστε στο Tab CMS και κλικάρουμε στο Home Page, αλλάζουμε τον τίτλο της σελίδας και επικαιροποιούμε το περιέχομενό της, κλικάρουμε στο Save Page και τέλος βλέπουμε το επιθυμητό αποτέλεσμα στην αρχική μας σελίδα.

## Δημιουργία καταλόγου και προϊόντων

4. Δημιουργήστε τουλάχιστον 2 κατηγορίες προϊόντων\* (π.χ. τύπος προϊόντων, ελληνόγλωσσα ή μη, e-books, ότι θέλετε...) και τα αντίστοιχα attributes των προϊόντων της κάθε κατηγορίας (π.χ. hard cover ή μη, εθνικότητα συγγραφέα κτλ). Κάθε κατηγορία προϊόντων πρέπει να περιέχει τουλάχιστον 3 attributes. Ομαδοποιήστε τα attributes σε attribute sets.

Αρχικά κλικάρουμε στο menu Catalog και στο button Manage Categories. Κλικάρω στο “Add Subcategory” και προσθέτω τις κατηγορίες σαν υποκατηγορίες του Root Catalog(Default). Δημιουργώ 3 υποκατηγορίες και κάνω κάθε φορά “Save Category” κλικάροντας στο σημειώμενο button παρακάτω. Συγκεκριμένα δημιουργησα τις υποκατηγορίες “Athlete Biographies”, “Actor Biographies” και “Historical Biographies”. Προσθέτω σε κάθε subcategory τις απαραίτητες πληροφορίες.

The screenshot shows the Magento Admin Panel interface. The top navigation bar includes links for Dashboard, Sales, Catalog, Mobile, Customers, Promotions, Newsletter, CMS (which is highlighted in orange), Reports, System, and Log Out. Below the navigation is a message bar with several items: a warning about server configuration, a critical error message, and notices about index status and URL rewrites. A success message indicates a page has been saved. On the left, there's a sidebar with links for Manage Products, Manage Categories (which is selected and highlighted with a red box), Attributes, URL Rewrite Management, Search Terms, Reviews and Ratings, Tags, and Google Sitemap. The main content area displays a table of pages with columns for Title, URL Key, Layout, Status, Date Created, Last Modified, and Action. There are five entries listed:

Title	URL Key	Layout	Status	Date Created	Last Modified	Action
About Us	about-magento-demo-store	2 columns with right bar	Enabled	30 Μαρ 2012 4:27:13 μ.μ.	30 Μαρ 2012 4:27:13 μ.μ.	<a href="#">Preview</a>

**Quick Overview**

The Mamba Mentality: How I Play is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar.

**Details**

In the wake of his retirement from professional basketball, Kobe "The Black Mamba" Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary "Mamba mentality." Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it "the right way," The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. Πλοηγούμαστε μέσω του Tab Sales στα Tax Rates και δημιουργούμε τα 2 ζητούμενα Tax Rates Ελλάδας και Κύπρου με παρόμοιο τρόπο. Έπειτα επιλέγουμε μέσω των Tax Rules όλα τα διαθέσιμα Tax Rates.

Τέλος μέσω του System -> Configuration και στην κατηγορία Tax εισάγουμε ως default τη χώρα Ελλάδα και να εμφανίζεται η τιμή προ αλλά και μετά φόρου.

<b>Description</b>	<p>I've been in this life for 50 years, been trying to work out its riddle for 42, and been keeping diaries of clues to that riddle for the last 35. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: if you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, feels and figured-outs, cools and shamefults. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights - and to realizing that the yellows and reds eventually turn green, too. Good luck.</p> <p>No one does glamour, severity, girlish charm, or tight-lipped witticism better than Dame Maggie Smith. Michael Coveney's biography shines a light on the life and career of a truly remarkable performer, one whose stage and screen career spans six decades. From her days as a West End star of comedy and revue, Dame Maggie's path would cross with those of the greatest actors, playwrights, and directors of the era. Whether stealing scenes from Richard Burton, answering back to Laurence Olivier, or playing opposite Judi Dench in <i>Breath of Life</i>, her career can be seen as a "Who's Who" of British theatre. Her film and television career has been just as starry. From the title character in <i>The Prime of Miss Jean Brodie</i> and the meddling chaperone in <i>A Room With a View</i> to the Harry Potter films in which she played Minerva McGonagall (as she put it "Miss Jean Brodie in a wizard's hat") and the Best Exotic Marigold Hotel films in which she played the wise Muriel Donnelly, Smith has thrilled, engaged, and made audiences laugh. As Violet Crawley, the formidable Dowager Countess of Downton Abbey, she conquered millions more. Paradoxically she remains an enigmatic figure, rarely appearing in public. Michael Coveney's absorbing biography, written with the actress' blessing and drawing on personal archives, as well as interviews with immediate family and close friends,</p>

<b>Description</b>	In the wake of his retirement from professional basketball, Kobe "The Black Mamba" Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary "Mamba mentality." Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it "the right way," The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They'll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant's detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant's very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant's narrative and Bernstein's	The Shrug. The Shot. The Flu Game. Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball - hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: He's a ruthless competitor and a lover of high stakes. There's never been a biography that encompasses the dual nature of his character and looked so deeply at Jordan on and off the court - until now. Basketball journalist Roland Lazenby spent almost 30 years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. Michael Jordan: The Life explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to

	<p>obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it "the right way." The Mamba Mentality takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They'll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant's detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant's very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant's narrative and Bernstein's photos make The Mamba Mentality an unprecedented look behind the curtain at the career of one of the world's most celebrated and fascinating athletes.</p>	<p>noting but not butter air his greatness, this scion or a complex family from North Carolina's Coastal Plain has a darker side: He's a ruthless competitor and a lover of high stakes. There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court - until now. Basketball journalist Roland Lazenby spent almost 30 years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. Michael Jordan: The Life explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: The player, the icon, and the man.</p>
<b>Short Description</b>	The Mamba Mentality: How I Play is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar.	The definitive biography of a legendary athlete.

- 17. Για κάθε αγορά χειριστείτε τις απαραίτητες διαδικασίες του backoffice (διαχείριση παραγγελίας, έκδοση τιμολογίου, αποστολή (shipment), ενημέρωση του χρήστη για τα διάφορα στάδια της παραγγελίας)**

Τέλος μεταφερόμαστε στη σελίδα παραγγελιών μέσω του Tab Sales από όπου και κάνουμε View και έπειτα Edit τις παραγγελίες μας. Κλικάρουμε στο Submit Invoice με τσεκαρισμένο το κουτάκι ώστε να ληφθεί με email η απόδειξη από τον πελάτη.

Βλέπουμε έπειτα πως το status της παραγγελίας είναι πλεόν Processing.

Έπειτα κλικάρουμε στο Ship και μετά στο Submit Shipment για να ολοκληρωθεί η αποστολή.

Βλέπουμε πως το status είναι πλέον complete για την παραγγελία.

Τέλος βλέπουμε τις 2 παραγγελίες πριν και μετά και την ολοκλήρωση της 2<sup>ης</sup> (με τα ίδια ακριβώς βήματα).

Φυσικά στο τέλος, φαίνονται στο Dashboard τα έσοδα από τις 2 παραγγελίες που ολοκληρώσαμε.

The screenshot shows the Magento Admin Panel Orders page. At the top, there are several status messages: 'One or more of the Cache Types are invalidated: Blocks HTML output.
